

## **Active Community League Starts Next Week**

The Active Community League, a summer program for youth between the ages of 13 and 18, is scheduled to start on Wednesday, June 21. This outdoor recreation program, focusing on keeping kids active, will meet primarily at Lake Eagle Park on Wednesdays from 1 - 5 PM. Due to some slight deviations in date and location, the complete schedule can be found on the city [website](#). You can also follow the program and watch for updates on [Facebook](#) and Twitter - @EagleLakeACL.

**FOUND: Portable speaker; left in the park. If you believe this might be yours, please come to the city office to identify and claim. The office is open Monday - Friday from 7:30 AM to 4:30 PM.**

## **Adventure Park Construction Well Under Way**

You may have seen activity behind the warming house in the park as the city continues to create what we are calling an Adventure Park. This is a low cost way for the city to add another fun activity area to Lake Eagle Park.

In an effort to have the park “formally ready” by July of this year, we are planning a community work day on Saturday, June 24. If you are interested in helping out, we will meet in front of the warming house at 9:00 AM.
